**TOEFL® ITP Score Descriptors and CEFR Levels**

TOTAL minimum TOEFL® ITP scores	European CEFR Levels	CEFR General Descriptions
627 pts.	Proficient User—Effective Operational Proficiency	C1 Can understand a wide range of demanding, longer texts, and recognise implicit meaning. Can express him/herself fluently and spontaneously without much obvious searching for expressions. Can use language flexibly and effectively for social, academic and professional purposes. Can produce clear, well-structured, detailed text on complex subjects, showing controlled use of organisational patterns, connectors and cohesive devices.
543 pts.	Independent User—Vantage	B2 Can understand the main ideas of complex text on both concrete and abstract topics, including technical discussions in his/her field of specialisation. Can interact with a degree of fluency and spontaneity that makes regular interaction with native speakers quite possible without strain for either party. Can produce clear, detailed text on a wide range of subjects and explain a viewpoint on a topical issue giving the advantages and disadvantages of various options.
460 pts.	Independent User—Threshold	B1 Can understand the main points of clear standard input on familiar matters regularly encountered in work, school, leisure, etc. Can deal with most situations likely to arise whilst travelling in an area where the language is spoken. Can produce simple connected text on topics which are familiar or of personal interest. Can describe experiences and events, dreams, hopes and ambitions and briefly give reasons and explanations for opinions and plans.

Note: The cut scores represent the minimum scores needed to enter the CEFR levels. These recommendations are based on the results of mapping studies with expert panels, and data analyses of test-taker scores.

**This certificate is printed on security paper. Some of the security features are:**

- Heat-activated security seal that disappears with repeated rubbing, but will come back when the temperature returns to normal
- Watermark pattern that is visible only from a 45-degree angle on one side of certificate
- "Void" in multiple languages if attempts are made to alter any information on the certificate with correction fluids
- A unique "check sum" number that can be used to verify the authenticity of information on the certificate
